CENTER**

St. Agnes Medical
Center 1303 E. Herndon
Ave Fresno, CA 93720
(Parking available in
front of North Wing.)

About the Summit

Description

The program will provide tools to build pathways to leadership empowerment in nursing and healthcare. Nationally recognized speakers will share their experiences and knowledge to address the need to have minority nurse leaders as role models for the nurses of the future.

Learning Outcomes

At the conclusion of the summit the participants will be able to:

1. Gain knowledge of acquiring leadership empowerment through lived experiences presented.
2. Develop a plan for personal management success.
3. Explore skills of visionary leaders that help them lead various generations in organizations of the future.
4. Demonstrate effective management communication skills.
